

The standard 100% cotton quilting and sewing thread is now available in half size (500m, 547yd) spools and come in these cute and colorful packages. With five collections to choose from, colours are selected to suit multiple purposes from neutrals to pastels.

Konfetti™ packs are great to pick up for those who want to start their WonderFil™ thread collection as every pack comes with a cut-out hints and tips card you can keep in your sewing room, so you always have our recommended needle sizes and other guidelines on hand.

They also make fantastic gifts for your sewing enthusiast friends!
